Louisiana Certified Deposit Specialist Program

"self-study, self-paced, online program"

The Louisiana Certified Deposit Specialist Program is a self-study, self-paced, online program designed to develop professional skills and a body of technical knowledge for employees on the deposit side of financial institutions. The overall objective is to build the banker's knowledge and skills and therefore enable the banker more career opportunities at the financial institution. The student will be working with five very experienced instructors with vast knowledge in all areas of deposit accounts, safe deposit boxes and customer service. The student will develop a high degree of technical expertise and will be able to help the financial institution with customer relations, security, compliance and business development.

The mission of the LBA is to help banks grow and prosper in Louisiana.

Modules

The program will include five modules, and these modules may be taken in any order. Students may take one module at a time and must successfully complete that module before beginning another one. Each module will take a minimum of 20 hours to complete. Each module will be composed of units, and there will be a comprehensive exam at the end of each module.

Certification Exam

After completing all five modules and module exams, the student must pass the final certification exam which will be held annually at the Louisiana Bankers Association facility. The exam will be held in December of every year, starting in 2010.

Schedule

Once the student is registered, they will receive a pass code to access the program curriculum and materials. The student will be able to complete this self-study, self-paced, online curriculum at his or her own pace; however, the pass code is only valid for 120 days. Therefore, each module must be completed within 120 days. No units or modules will be lost if the student moves to another employer.

Cost

Modules 1-5 \$399 per module

Certification Examination \$199 per registration

The registration fee is non-transferable and non-refundable and must be paid in full prior to beginning a module. Successful completion of all five modules must be submitted with registration for the certification exam given annually in December.

Continuing Education

Upon completion of modules and successful completion of the certification exam, the student will be required to submit to the Louisiana Bankers Association evidence of 18 hours of continuing deposit education every 3 years. The student may attend live classes or continue with self-study curriculum on special topics to accomplish the requirement.

Materials

Upon receiving pass code information, the student will be able to login to the online program where they can download all required and supplemental materials.
