LaserPro® Intermediate
May 25, 2017 ▪ 9:00am-4:00pm
## The Bankers Center ▪ Baton Rouge, LA

Register early. Limited seats available!

This one-day LaserPro workshop will benefit those who are both the administrator of LaserPro as well as the bank's loan processor. The class will cover topics in General System Setup, LaserPro Loan Processing Setup and LaserPro Processing. Participants will need to have experience with LaserPro and the focus will be on a more in-depth understanding of the program from an Administration and Processing perspective. Each participant will have their own workstation to operate the program. Each participant is encouraged to bring questions for the class to discuss.

This is not a compliance seminar.

Agenda Topics

- Discussion of the recent LaserPro updates
- Unique options within LaserPro
- Discussion of unique payment types, collateral and customer types
- Available resources for the LaserPro Administrator
- Understanding of seldom used features within the program
- Tips, Tricks and Shortcuts
- One-on-One Q & A

Topics the participants bring may include: General System Setup, Origination, Processing, Document Preparation, Consumer Closing, Commercial or Real Estate. This course will focus on the topics provided by the participants.

Prerequisites

To fully benefit from this workshop, participants should have:
- Basic Windows skills
- Knowledge of their institution's lending policies and products
- Login credentials for the Customer Center Support site

Who Will Benefit

LaserPro Administrators who are responsible for setting up loan policies and creating templates, individuals who are the main contact within their organization for the loan processors. This workshop is designed for experienced users who have attended a previous workshop or have at least 6 months experience as the Administrator or Loan Processor.

Workshop Instructor

Brian C. Bayman is a Senior Training Specialist. Brian's career as a software D+H Software Trainer began in 1992. As the company grew, Brian trained on additional software modules including the DOS and Windows versions of LaserPro, DepositPro® and DecisionPro™. He's pioneered the workshop training environment, assisted with the creation of training documentation and created several of the Web-based courses that are currently offered. Brian has been recognized with awards from the Training Department as well as a quarterly Pillar award from D+H. Brian has over 25 years of delivering software training, 23 with D+H. He is graduate of the University of Dayton, with degrees in Marketing and Management and a minor in Communications. He has also completed Compliance School from the American Bankers Association.
