LBA PEER GROUP MEETINGS

I have seen some very good in-house leadership training recently. Are you conducting any leadership training? If so, what materials are you using and what's the format? I have had several requests for customer service and teambuilding trainers. Who are your favorite trainers, or, are you doing this type training yourself? Is anyone conducting or have you found any training in Spanish? We're looking forward to discussing these issues and more on April 28. Register today!
