

Introduction to LaserPro[®] Commercial Processing

October 26, 2017 ▪ 9:00am - 4:00pm
The Bankers Center ▪ Baton Rouge

Register early. Limited seats available!

This is a beginner's course that focuses on how to use LaserPro to produce commercial documentation. Current LaserPro processors will also benefit from the instruction. It is important to continually enhance your skills and ensure that you are using LaserPro to its fullest capacity. In addition, individual practice time will be offered for your own lending scenarios.

**This is not a compliance seminar.*

Main Objectives

- Learn program-navigational skills
- Understand the advantages of templates
- Process various loan types
- Understand how to create unique language within the documents

Agenda

- Steps for Processing Commercial Loan Transactions including UCC and Real Estate
- Navigation and Keyboard Shortcuts
- Additional Resources Available for Loan Processors

Prerequisites

To fully benefit from this workshop, participants should have:

- Basic Windows skills
- Knowledge of their institution's lending policies and products
- Login credentials for the Customer Center Support site

Who Will Benefit

Individuals responsible for preparing Commercial loan documents using LaserPro.

Registration Fee

\$385, per LBA member

\$585, per non-members

Class size is limited to twelve.

Workshop Instructor

Steven S. Johnson is a Senior Training Specialist for Finastra. He joined Finastra in 2008 after a 15 year career in varies Retail and Commercial banking roles in the Dayton, Ohio area. Steven has trained several Finastra software programs including Intreive Advantage, LaserPro, DepositPro and ProSign. He has assisted in the development of several Web-based training courses currently offered from the Training Services Center. He has also conducted training sessions at Finastra's User Connect meetings throughout the country. Steven serves on the board of advisors for the Community Reinvestment Institute of Dayton, Ohio where he is an Alumni Representative. He studied Economics while attending Central State University in Wilberforce Ohio.
