

TILA/RESPA Integrated Disclosures: Updates and Common Challenges for Community Banks

**September 15, 2017 ▪ 9:00am - 12:00pm
The Bankers Center ▪ Baton Rouge, LA**

The TRID Update will focus on tools for overcoming common challenges experienced by community banks for consumer real estate-secured loans for which the TILA/RESPA Integrated Disclosure rules apply. Additionally, the Update will include recent findings, challenges and criticisms. This is tailored for those utilizing loan origination software systems such as Laser Pro to produce the Loan Estimate and Closing Disclosure. The class will also provide bankers with answers and updates to common questions regarding “how” to produce disclosures and re-disclosures that accurately represent common loan products, while staying in compliance with Regulation Z. Attendees will be encouraged to bring example loan scenarios for the question and answer portion.
