Cybersecurity Boot Camp

March 29, 2017 ▪ 9:00am - 4:00pm
The Bankers Center ▪ Baton Rouge, LA

The Cybersecurity Boot Camp is designed to help busy IT professionals keep up with the fast-paced cybersecurity landscape. Current and emerging threats will be discussed briefly, followed by the impact these threats have on financial institution security, operational measures, recommended practices and regulatory requirements. Class discussion will address IT controls and monitoring tools of varying capabilities, cost and sophistication. Attendees will be provided with a cybersecurity task checklist to provide guidance on the topics discussed in class. After the boot camp, attendees will have the knowledge, checklists and baseline skills to implement, maintain or enhance a cybersecurity program at their own financial institution.

Workshop Topics

- Top threats for 2017
- Business impact
- Regulatory matters
- Proactive and reactive IT controls
- Monitoring and management tools
- Task checklist

Who Will Benefit

Technology officers, IT and IS staff members, compliance officers and auditors

Registration Fee

$475, per LBA member (includes electronic link)
$675, per non-member (includes electronic link)

Workshop Instructor

Traina & Associates provides IT audit, consulting and training services to financial institutions, medical entities, CPA firms and their clients. The Firm has been providing services in the IT area since 1999 and each year performs hundreds of audit, consulting and speaking engagements with a team of experienced professionals retaining numerous certifications, including CPA, CISA, CITP, CGMA and CTGA. For every engagement, the staff of highly trained professionals tailors the work for the unique makeup, size and complexity of the organization and information and reports are presented in a concise manner, making them easy to understand by those having a variety of IT expertise.
