

Mortgage Loan Originator Required Training Series: Session One (Webinar)

Session 2 is scheduled for September 11 and Session 3 is scheduled for October 2

August 13, 2018 ☐ 3:30pm - 5:00pm

Banks have been complying with the Mortgage Loan Originator rules since 2014 and examiners are looking for compliance with the **annual** training requirements. **How will you prove that the training has been provided and that it was effective?** This compliance training series outlines the required steps in EACH portion of the mortgage “life cycle”.

- **Session One (August 13, 2018)** will focus on the Reg B requirements for the loan at **the time of application**, requesting monitoring information, and providing appraisal/valuation notices. Fair lending concerns will be reviewed. Timing requirements for initial disclosures are included.
- **Session Two (September 11, 2018)** will include highlights of underwriting and pre-closing
- **Session Three (October 2, 2018)** will focus on closing and post-closing compliance issues including recent enforcement actions.

WHAT YOU WILL LEARN:

- Reg B requirements for the life of the loan; how to take and process an application. This will include the proper collection of monitoring information.
- What is a “completed” application? What is a pre-approval request? What is a pre-qualification?
- Model application forms – which application form should be used for various types of loans?
- Overview of the **NEW Demographic Information form for monitoring that became effective January 1, 2018**.
- What’s the difference between an inquiry, pre-qualification, and application? What regulations are triggered for each scenario?
- Appraisal and “other valuation” requirements of 1002.14.
- Fair lending – what questions can be asked and can NOT be asked?
- TRID basics, common errors and tips for compliance including checklists.
- Monitoring information for HMDA at time of application; overview of the **changes** in HMDA coverage for 2018. Learn about the new “demographic” information and procedures for applicants to “self-identify disaggregated” ethnicity and race data.
