LBA PEER GROUP MEETINGS

How is beneficial ownership going? Have you had to make any adjustments to your procedures since the effective date? What is working well and what still needs attention? How are your customers responding? We have been asked to provide some BSA monitoring system validation training and are looking for input on how to approach the topic so that it is beneficial to all regardless of the system you use. Let's talk about these and any other topics you'd like on June 5. Register today!
