LBA PEER GROUP MEETINGS

How are you coming with your annual recertification? Are there questions you have that other CDFI banks might help you answer? Are you finding opportunities in your markets that fit the criteria you need to meet? How is your activity being viewed by the regulators. If you participate in the Community Development Bankers Association and/or the National Community Investment Fund, what has your experience been? Let's discuss these and any other topics you bring to the July 25 peer group meeting. Register today!
