LBA PEER GROUP MEETINGS

The survey results on the Internal Audit webpage shares valuable information – take a look. Which are your most challenging audits? How do you approach challenging audits? Do you have an internal audit department charter in addition to an audit committee charter? If so, what type information is included in the charter? Are all of your audits, internal and external, overseen by your board audit committee or do some audits fall under different committees? Let’s talk about these and any other topics you would like during the October 5 peer group meeting.
