

The Nuts and Bolts of Same Day ACH and Faster Payments (Webinar)

August 30, 2018 ☐ 10:00am - 11:00am

In this session you will learn the ins and outs of Same-Day ACH and how critical it is to your financial and market performance. We will also discuss changes to Same-Day ACH that may not be too far down the road. Your session will conclude by examining a variety of faster payment solutions available today and in the near future.

Who Should Attend:

This informative session is designed for Operations Managers and Staff, ACH Management and Staff, Compliance Officers and Staff, Risk Managers and Staff, Legal Staff, Electronic Banking Managers and Staff, Vendor Managers and Staff, Retail Management, and Internal Audit Managers and Staff.

Webinar Speaker:

Billy Reed As the Assistant Director of member services for the Southern Financial Exchange and an Accredited ACH Professional, Billy acts as an ACH and operational consultant. He is responsible for the design and presentation of educational programs for ACH, performing ACH audits and supporting member institutions in ACH requirements. Prior to joining SFE, Billy spent more than 30 years in the banking industry in operations, data processing and strategic planning. Most recently as senior vice president at a bank in Louisiana, he restructured operations, focusing on improved branch and customer service, and lowering delivery costs, while implementing enhanced fiscal and management controls. Billy's early positions included working as the Senior Vice President of a 1.8 billion dollar bank where he was responsible for the operational and technical support for 1,500 bankers in 100 locations. During his bank experience, Billy was responsible for computer conversions and several successful mergers. Billy completed his studies with a BS from University of Southern Mississippi and was a Phi Beta Kappa. He attended the University of Mississippi Banking School and the Graduate School of Banking of the South. Since joining Southern Financial Exchange in 2003, Billy has performed over 500 ACH Audits and Risk Assessments.
