LBA PEER GROUP MEETINGS

Lots of scams recently – which ones have hit you and/or your customers? How are you reacting? We had a question about audio surveillance cameras and most banks responded that they were not using them. What are your thoughts on using audio/video cameras? Bring to the discussion one topic that keeps you up at night, and, one item that has you eager to implement. If you’ve had a recent exam, what were the hot buttons? Looking forward to a great discussion on April 5. Register today!
