

# Bank Counsel Peer Group

September 13, 2019 ▪ 10:00am - 12:00pm  
LBA Board Room ▪ Baton Rouge, LA

The Bank Counsel Peer Group provides a great forum for banking attorneys- both in-house counsel and law firm practitioners, to share ideas and best practices relative to legal issues impacting the banking industry. One important topic that will be discussed is how banks are moving to paperless transactions and services. The group will discuss how banks in Louisiana are currently offering or planning to offer products and services by electronic means – through the use of bank websites and in-person through the use of computers and hand-held electronic devices. The discussion will also cover legal and other limitations that impact what products and services can currently be offered electronically in Louisiana.
