LBA PEER GROUP MEETINGS

Hopefully, we will have an update on the digital driver’s license app in time for the meeting. Have you seen any customers using the digital driver’s license in the bank? There has been a lot written recently about Operation Choke Point and how the current leadership does not want to see this happening. If you have had an exam recently, did questionable business accounts come up? Were there any hot buttons that may have been different from previous exams? We look forward to talking about these topics as well as any others you would like to bring to the group. Be prepared with at least one question/comment. Register today for the January 29 meeting.
