LBA PEER GROUP MEETINGS

We have gotten several questions recently about writing audit programs and how those audit programs fit in the overall risk program for the bank. Let's discuss how your plans are coming along. If you have had an exam recently, let's talk about any hot buttons that may have been different from previous exams. We look forward to talking about these topics as well as any others you would like to bring to the group. Be prepared with at least one question/comment. Register today for the January 25 meeting.
