LBA PEER GROUP MEETINGS

We had a recent question about the increasing cost of re-inscriptions and if/how banks are passing on the charge to the customer. Your insight will be helpful. We seem to continue to get questions relating to TRID. What is your most recent experience? Is it getting better? Are your closing attorneys on board with all the needed documentation? Is your loan processing program up to date and giving you all the needed functions? If you have had a recent exam, what questions were the examiners asking; did the examiners have a new and/or different focus from past exams? Bring your questions for the group. We are looking forward to a great discussion on October 11. Register today!
