

Thirty (30) Important Steps to Properly Audit Your Safe Deposit Department (Webinar)

October 22, 2019 ☐ 3:00pm-5:00pm

Management should take full advantage of an effective safe deposit audit program as their protection against losses due to negligence or carelessness. The mysterious disappearance of property from either internal theft or burglary must be avoided. You should be sure that procedures are in place to assure that your attendant uses the utmost diligence in making sure there are no exceptions or deviations. For an auditor to properly perform this task, they must be thoroughly familiar with all aspects of your safe deposit operation. This seminar covers the “nuts and bolts” and the important steps that must be followed to audit your entire safe deposit function.

What You Will Learn:

Get answers to the following questions and establish internal procedures to comply with proper safe deposit requirements.

- What are the thirty (30) most important audit questions that must be answered YES?
- Have you measured all the boxes to make sure the correct rent is being charged?
- Why should you perform a complete key audit to determine if you have all keys?
- Do you know that all renter signatures match the names typed on the contracts?
- Why is a vault survey of all box numbers and sizes important during this audit?
- Do you have current resolution forms for all your rented business boxes?
- Are all of the blanks on the contract filled in properly with no white outs?
- Have you reviewed access records for the time, date and proper initials?
- Why must all keys found be listed as Available or Service Required?
- Are all renter signatures authorized to enter the safe deposit box?
- If “MYSTERY BOXES” are identified how should they be handled?
- Why should you record all past due, free and discounted boxes?
- What five types of Management Reports must be prepared?

Who Should Attend:

This informative program is designed to update and assist internal auditors, vault supervisors and safe deposit attendants.

Speaker:
