LBA BANKER'S DAY AT THE STATE CAPITOL

The 2024 LBA Banker's Day at the State Capitol is on Wednesday, April 24. This event provides bankers the opportunity to visit with lawmakers on their turf to discuss issues important to the Louisiana banking community. This year we expect another strong showing by Louisiana bankers to help communicate our message to our lawmakers.

At the Banker's Day event we will discuss the status of LBA-supported legislation and LBA-opposed legislation, and update you on our efforts at the Capitol on your behalf.

This year, lunch is at the Capitol Park Museum and we will spend the afternoon visiting with legislators on the House and Senate floor. We are working on a great line-up of state policymakers to speak at the event.

If possible, please make arrangements to attend this LBA event. Nothing is more persuasive to lawmakers than when constituents feel strong enough about a cause to visit them at the Capitol. It also is a great opportunity to thank your legislators for their efforts on our behalf.

The program will begin at 11:45am with lunch at the Capitol Park Museum. The address is 660 N. 4th Street, Baton Rouge, LA 70802. After lunch and various presenters, we will walk over to the state capitol to visit with lawmakers. A more detailed agenda and information on parking will be provided as we get closer to the event date. We hope to see you there.
