

Banker's Day at the State Capitol

May 1, 2019 ▪ 11:15am - 4:15pm
Baton Rouge, LA

The 2019 LBA Banker's Day at the State Capitol is on Wednesday, May 1. This annual event provides bankers the opportunity to visit with lawmakers on their turf to discuss issues important to the Louisiana banking community. This year we expect another strong showing by Louisiana bankers to help communicate our message to our lawmakers.

At the Banker's Day event we will discuss the status of LBA-supported legislation and LBA-opposed legislation, and update you on our efforts at the Capitol on your behalf.

This year lunch is at the Capitol Park Event Center and we will spend the early afternoon visiting with legislators on the House and Senate floor. We are working on a great line-up of state policymakers to speak at the event.

If possible, please make arrangements to attend this LBA event. Nothing is more persuasive to lawmakers than when constituents feel strong enough about a cause to visit them at the Capitol. It also is a great opportunity to thank your legislators for their efforts on our behalf.
