

Current Security Threats (Webinar)

June 12, 2013 ☐ 3:30pm-4:30pm

The news today is filled with stories of new and more sophisticated malware infections, DDOS attacks on financial institutions by cybercriminals and many more security incidents. This Webinar will provide you with more information on what the current threats are and what you need to do to protect your organization.

Webinar Speaker

Lisa Traina, CPA, CITP, CGMA utilizes her 30+ years of experience to assist organizations in implementing measures to secure data and manage risks. Lisa is a nationally recognized speaker, sharing her knowledge with thousands of bankers, CPAs and business professionals annually helping them leverage emerging technologies. She shares the same zest for innovation with her own company, which operates 100% in the cloud. Traina & Associates has been honored twice as a member of the LSU 100 list of the top 100 fastest growing Tiger-led businesses. She was recently named to CPA Practice Advisor Magazine 2012 list of 'Most Powerful Women in Accounting'.
