

STATEWIDE BANKER MEETINGS

Please join us for a luncheon with your fellow area bankers. Among other things, we will discuss legislation of interest from the recently ended 2026 state regular session. We also will discuss current federal issues of interest and any other issues you wish to discuss. These statewide luncheons will give you an opportunity to voice your opinions and concerns, and also provide a great forum for LBA to get valuable feedback on issues important to the Louisiana banking industry. We hope to see you there.

Please check the location(s) you plan to attend:
