

# Information Security for Bank Employees (Webinar)

October 18, 2017 ☐ 3:30pm-4:30pm

Banks are expected to train all employees each year on current information security topics. This webinar is designed to meet that need and provide training for employees at all levels. Topics covered include:

- The current threat landscape and recent breach information
- Key security issues and solutions
- The Top 10 employee information security issues

## Webinar Speaker

 **TRAINA & ASSOCIATES** provides IT audit, consulting and training services to financial institutions, medical entities, CPA firms and their clients. The Firm has been providing services in the IT area since 1999 and each year performs hundreds of audit, consulting and speaking engagements with a team of experienced professionals retaining numerous certifications, including CPA, CISA, CITP, CGMA and CTGA. For every engagement, the staff of highly trained professionals tailors the work for the unique makeup, size and complexity of the organization and information and reports are presented in a concise manner, making them easy to understand by those having a variety of IT expertise.
