

2018 Louisiana Emergency Preparedness Coalition Meetings

The LBA is hosting nine emergency preparedness meetings around the state in April and May to have financial institutions, regulators, emergency preparedness officials, law enforcement officials, the national weather service and armored carriers gather and share emergency preparedness plans and best practices.

The local emergency preparedness officials have been very helpful this year in securing meeting locations, many of them in the emergency operations center office which will give the bankers and regulators an opportunity to see how their system works.
