

2020 Louisiana Emergency Preparedness Coalition Meetings

The LBA is hosting nine emergency preparedness meetings around the state in April and May to have financial institutions, regulators, emergency preparedness officials, law enforcement officials, the national weather service and armored carriers gather to share emergency preparedness plans and best practices.

The local emergency preparedness officials have been very helpful this year in securing meeting locations, many of them in the emergency operations center office which will give the bankers and regulators an opportunity to see how their system works.

The meetings are from 10:00 am—noon on the following dates and in the following locations. Please place a check next to the location (s) you plan to attend. PLEASE NOTE: several meeting locations are new this year.
