

# 2020 Banker Virtual Meetings

2020 LBA BANKER VIRTUAL MEETINGS

While we will not be gathering in person to have our annual conversation at our regional banker luncheons, we invite you to grab your lunch and join us by Zoom for three virtual meetings with bankers. This platform allows you to share your camera if you would like so we can see each other, or, you can join by phone only. Among other things, we will discuss legislation of interest from the recently ended 2020 state regular and extraordinary sessions. We also will discuss current federal issues of interest and any other issues you wish to discuss. These virtual meetings will give you an opportunity to voice your opinions and concerns, and also provide a great forum for LBA to get valuable feedback on issues important to the Louisiana banking industry.

**Please check the meeting(s) you plan to join:**  
*All virtual meetings are from 12:00-1:30pm*

Tuesday, August 11

Tuesday, August 18

Tuesday, September 1

Instructions on how to join a virtual meeting will be emailed a few days prior to each meeting.
