

Threatening Acts & Crimes from a Security Standpoint (Webinar)

November 13, 2020 ☐ 10:00am - 11:30am

This webinar will address the different types of threats that banks must prepare for including active shooters, workplace violence, uncomfortable customers/situations. Safety techniques and strategies will be discussed along with new technology that is used to help protect employees and the establishment.

Who Should Attend:

Security and Technology Officers

Webinar Speaker:

Susan Wind is a college professor who has taught, designed and implemented Criminal Justice Courses throughout the US for the past fifteen years. She has worked in different entities of the criminal justice system. For the past twelve years, she has been doing consulting work with financial institutions all over the US, providing training related to cybercrimes and security topics (i.e., money laundering, identity theft, atm/debit card thefts, fraud, bank robbery, active shooters, workplace violence, social media, etc.). For the past four years, she has been conducting research and offering programs to local businesses on cyber-bullying and social media awareness. Susan has published numerous articles on this topic and has developed curriculum for schools to implement in their training programs.
