

# IS/IT Strategic Planning (Webinar)

February 10, 2021 ☐ 10:00am - 11:00am

Each year we are challenged to update our strategic plans while also planning the many items of business that must take place throughout the year. This webinar will assist you in planning and organizing for the year, review tips for successful strategic planning, and discuss which important cybersecurity areas you should address to ensure a successful 2021.

## Who Should Attend:

Technology Officers, IT and IS staff,  
Security Officers

## Webinar Speaker:

**CapinTech** provides IT audit, consulting and training services to financial institutions, medical entities, CPA firms and their clients. The Firm has been providing services in the IT area since 1999 and each year performs hundreds of audit, consulting and speaking engagements with a team of experienced professionals retaining numerous certifications, including CPA, CISA, CITP, CGMA and CTGA. For every engagement, the staff of highly trained professionals tailors the work for the unique makeup, size and complexity of the organization and information and reports are presented in a concise manner, making them easy to understand by those having a variety of IT expertise.
