

# Accounting Peer Group

May 21, 2021 ▪ 10:00am - 12:00pm

LBA PEER GROUP MEETINGS

Has the pandemic changed your accounting operations for good, or, do you see things returning to “normal”? What are some positive consequences resulting from the pandemic that you are gladly continuing? Have you made the move from LIBOR? How’s that working? Can you tell what your balance sheet will really look like by the end of 2021 – deferrals still happening, excess liquidity, core loan business? If you’ve had a recent exam, were they looking at any things differently than they have in the past? Let’s discuss these topics and any others you’d like to bring to the group. Register today!

**This peer group will meet via Zoom.**
